Culture First

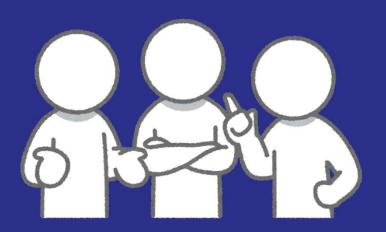

The Foundation of Reliable Quality

Ardela Daniels | Performance Recovery Director | 07.-08.10.2025 | QEM 2025 - ITC Energoland Mochovce

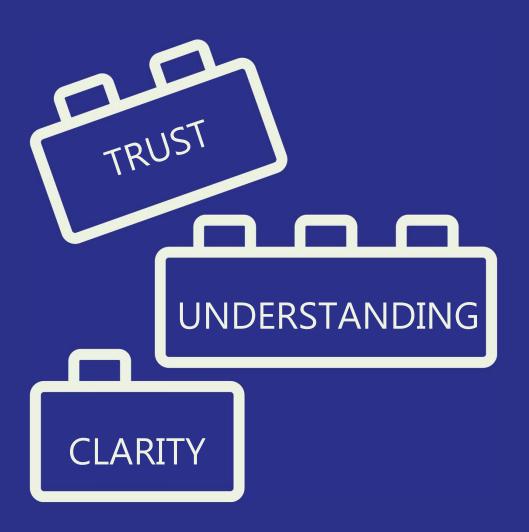

Quality Culture is not about Quality, it's about culture.

It's about people.

Culture is our shared mindset.

UNDERSTANDING

Quality isn't what we intend, it's what's understood.

Practice = intent

Silence wins.

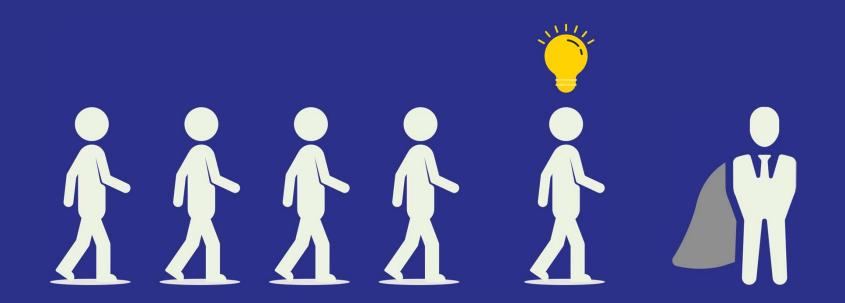

Do our messages land?

Do our people speak up?

Make it possible for the best decision to be made.

-4-4-

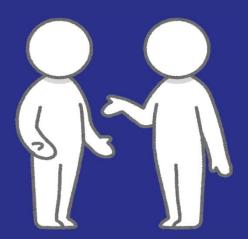

"We are in this together."

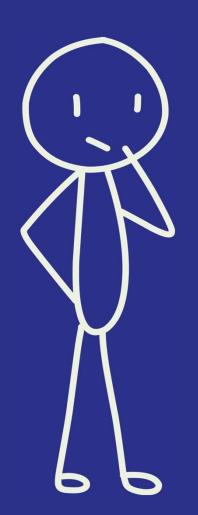

"Clarity protects speed."

"Truth beats ego."

What strengthened quality?

Where did we rely on assumptions instead of clarity?

What will we say next time?
